0.76 DART

2019

0.77 TRIR  
0.54 DART

(as of 12/31/20)

We more than doubled our ability to track and report on Industrial Wastes across our organization in 2020 after we implemented a robust waste management system.

We increased the amount of materials we recycled from 2019 to 2020 by 83,383 tons (or increased the amount recycled by 19 %)

WASTE MANAGEMENT REDEFINED
